PROMISE INTERNATIONAL SCHOOL

INTRODUCTION

PROMISE INTERNATIONAL SCHOOL run by Mother Theresa Charitable Trust, was started in the year 2015. Promise International School is a prestigious institution at Calicut - Atholi. The school is poised on the threshold of change and is all set to re-define itself as a No. 1 School. It has welcomed the need of the hour and established itself as a value based co-educational school. "Literary education is of no value if it is not able to build up a sound Character" – hence the school envisions a robust, vibrant and holistic education promoting intellectual, social and cultural vivacity among its learners. We follow the curriculum specified by the Central Board of Secondary Education. Dedicated faculties of trained teachers, supported with audio-visual facilities, contribute to interactive learning that strives to go beyond the textbook and integrate a curriculum drawn from life experiences. Parents' involvement is our greatest strength for we believe in building bridges between the home and school in an effort to sustain and strengthen the learning process with the combined efforts of parents and teachers. The current student strength is over 350 with an average of 25 students in a class. The school offers a variety of co-curricular activities and encourages students to choose from a host of activity clubs with social, literary, cultural and sporting options. Karate, Music, Dance, Fine Arts, Craft, Musical Instruments, Badminton, Chess and Yoga classes are held within school hours. In addition to these Debating, Quizzing, Dramatics, Self Defense classes for girls are some of the other activities that are encouraged and supported by the school with professional trainers, coaching students after school hours. Students have made their presence felt in the cityscape with excellent Board results and numerous awards won in co-curricular areas.

At PROMISE INTERNATIONAL SCHOOL, our endeavour is to provide your child a comfortable atmosphere where learning is full of fun. School is your child's first experience away from you and it's a huge leap for you as a parent. Hence, we ensure a safe, hygienic and engaging environment for your child. Learning at Promise International School happens through experience and reflection on doing. The integrated use of scientifically designed games, toys and technology makes learning a lot more fun and engaging.

PROMISE INTERNATIONAL SCHOOL

PLAY SCHOOL

Children of the ages between 2.5 years and 4 years are extremely receptive. "PROMISE INTERNATIONAL" Kids pre-schools' fun-filled programme makes the most of this by encouraging children to understand and develop basic language skills while also developing social skills, gross and fine motor skills at the same time make them creative through songs, music and imaginative play and so on. At "PROMISE INTERNATIONAL". Kids preschools, we strongly believe that each child is a unique person and imbibes social, physical and intellectual behaviour over a period of time.

KINDERGARTEN-1

Following multi-step instructions, finding multiple ways to solve problems, organising work, controlling impulses and sustaining attention become the focus of developing a curriculum for kindergarten child. Immersed in becoming familiar with the format and structure of a kindergarten school day, while developing critical skills to succeed in primary school their character get moulded. Child Care Quality is the most consistent finding of studies linking child care to children's development.

KINDERGARTEN-2

As we progress towards Key Stage 1, the culmination of our school readiness programme engages individual attention towards development goals, like independent reading and writing to communicate ideas. Bringing together all the lessons and skills of your child's journey in a programme designed to be the best for preparing them for success throughout their academic life.

I to VIII STD

Promise International School formed with an inbuilt idea to groom up budding stars, not only to be famous doctors, engineers and architects, but also to be citizens who abide by the traditional, cultural and moral values of society. We are not confining our lessons to text book and class room instead, we allow them to fly in the wide interesting world of knowledge by using internet and library having most modern books.

PTA AND MOTHERS' CLUB

Parent-Teachers Association and Mothers' Club are very active in the School. They give numerous suggestions for improvement and support School authorities in carrying out developmental activities.

WHERE WE ARE AT

PROMISE INTERNATIONAL SCHOOL was started with a vision and a dream. And the more we think about it the more we have to do to achieve that dream. We have come a long way from a pipeline dream to a fully fledged school that provides for the nourishment of a student's thirst for knowledge and knowledge varies from student to student, we believe that our system helps the students to bring out the best version of themselves.

WHERE WE DREAM TO BE

Our growth as an international school, providing the best to our students and their parents have become a fruitful venture till date. With the addition of our forthcoming projects, our school is poised to be one of the top schools in south India by 2025. We strive to excel at bringing students the education they deserve, in every sense. The future looks bright to our school ideology and we believe that the more we strive the better we move forward in achieving our goals.
